Entry Rules

Entry/Cross Entry - Exhibitors are responsible for knowing the Rules and Regulations governing the horse show, and for their own errors and omissions. In the case of a violation of a cross entry restriction, the exhibitor will forfeit the entry fee and the class placing. Unless a specific rule is declared or changed for the BEST Indoor Summer Classic, the Maryland Horse Show Association (MHSA) Rules will prevail. Copies of the MHSA Rule Book and BEST Horse Show specific rules will be available in the Horse Show Office.

Entry Procedure

- Each horse/rider combination must complete an entry form in order to be assigned an entry number.
- Entries must be received by the pre-entry deadline of June 24th. Entries may be submitted online through www.horseshowing.com, or may be scanned and emailed to besthorseshow@gmail.com.
- Back Numbers **will not** be issued or valid without a **signed open check or credit card number** (or cash covering fees) filed with the Show Secretary, and all required signatures on the entry form.
- Exhibitors are encouraged to settle their horse show account in person. The Show Office will have posted hours, and remain open one hour after the conclusion of the show. Management will automatically close any exhibitor's account left open at the conclusion of the show, and any questions concerning billing or refunds will not be considered.

BEST \$1,000 Derby Style Hunter Classics

These Classics are not MHSA rated. Each entry must compete in at least one entire Hunter division to enter a Classic. Horses must jump the same height in the second round of the classic as they jumped in the first round. If a horse or pony is entered in more than one "first round" division for any of the Classics, then one division must be declared as the "first round" of the Classic at the time of show registration. Only the top 20 first round scores will qualify for each Classic. Individual Classics may be cancelled if less than eight horses are entered. Once entered, Classics may not be cancelled once the first-round trip has been ridden, even if an entry doesn't qualify for the second round. **Once a horse has won one of the Classics three times, they may no longer compete in that Classic.**

Ticketed Schooling Procedures

Schooling Tickets need to be purchased from the show office prior to entering the line-up for schooling in the Indoor Arena. We will allow groups of up to 8 riders in the ring at one time, for up to 15 minutes per ticket. We will adjust the group sizes, and length of time for schooling, based on activity and demand. This is not intended to be used as an unlimited open schooling session. Entries showing in the Indoor Arena on Saturday, will be given priority during Friday evening ticketed schooling. Once Saturday classes in the Indoor Arena are complete, and the ring has been reset for Sunday, we will reopen Ticketed Schooling. Once again, priority will be given to entries showing in the Indoor Arena on Sunday.

All riders must have back numbers on during ticketed schooling!
