BEST Horse Shows Jumper Challenge

Sponsored by:

The BEST Horse Shows Jumper Challenge is a program designed to recognize, incentivize and reward BEST jumper riders and their mounts at all levels. Entries will be awarded points for earning ribbons in all BEST Jumper classes, except the .45m (18") Jumper Classes, during the first seven 2026 BEST Horse Show Series weekends. Over the competition season, points earned by horses in all qualifying divisions will accumulate to become eligible for the BEST Horse Shows Low Jumper Challenge (.60m and .65m) or the BEST Horse Shows High Jumper Challenge (.75m through 1.0m) to be held at the August 15th BEST Horse Show. After the August 2nd BEST horse Show, 20 jumper horses based on accumulated points, will be invited to enter either the BEST Horse Shows Low Jumper Challenge or the BEST Horse Shows High Jumper Challenge on August 15th. **You must be a current BEST Member to be invited to compete in the BEST Horse Shows Jumper Challenges!**

The number of entries that qualify for either of the BEST Horse Shows Jumper Challenges will be based on the total number of entries in the .60m and .65m divisions and the .75m through 1.0m divisions at the qualifying shows. The ratio will be based on total entries during the first seven show weekends. The more shows you enter, the greater your chance becomes of qualifying for either of the 2026 BEST Horse Shows Jumper Challenges. There is no additional cost to qualify for the 2026 BEST Horse Shows Jumper Challenges. This is a bonus to reward those who frequent the BEST Horse Shows jumper classes!

The BEST Horse Shows Low Jumper Challenge will take place on the Saturday, August 15th horse show after the .65m Jumper Division is completed. The BEST Horse Shows High Jumper Challenge will be run after the 1.0m Jumper Division. Both Jumper Challenges will be a single Timed First Round (Table II, Sec 1) class. The Champion in both Jumper Challenges will earn a special award from Jamie's Jumps to be awarded at the BEST Horse Shows Year-End Banquet. There will also be a monetary prize of at least \$1000 for both Jumper Challenges to be awarded as follows:

1st Place, 50% 2nd Place, 25% 3rd place, 15% 4th Place, 10%

The total purse for either Jumper Challenge will be determined by the total number of entries in the qualifying divisions for the first seven show weekends. BEST Horse Shows will start the purse at \$500 for each Jumper Challenge and add \$1 for every class entered at the respective qualifying heights for the first seven show weekends. Based on 2025 entries, that would bring the purse for both the BEST Horse Shows Low Jumper Challenge and the BEST Horse Shows High Jumper Challenge to approximately \$1100 each! Remember, the greater the number of classes entered by exhibitors for the first seven show weekends, the greater the purses for the BEST Horse Shows Jumper Challenges!

330 BEST Horse Shows High Jumper Challenge (By invitation only at the August 15th show!)
331 BEST Horse Shows Low Jumper Challenge (By invitation only at the August 15th show!)

Jumper Class Definitions

Table II, Sec. 1 Time First Round - The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. Horses with clean rounds or equal faults are classified according to their time taken to complete the course.

Table II, Sec.2.b. Time First Jump-Off - The first round and first jump-off, if any, are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed, if any. If a competitor has gone clean in the first round, he/she will, without leaving the ring, upon an audible signal, commence the designated jump-off course. In the event of equality of faults after the first round, there will be one jump-off for first place only in which time will decide in the event of equality of points.

Table IV Sec.2.b. Time First Jump-Off Optimum Time - Rules are the same as in Table II.2.b Time First Jump-Off class, with one exception. An "Optimum Time" (defined as 4 seconds less than the Time Allowed for the course) will be posted on the course plan; the horse with the time on course closest to the Optimum Time (over or under) will prevail in a tie.

Table IV Sec.1 Time First Round Optimum Time - Rules are the same as in Table II.1Time First Round class, with one exception. An "Optimum Time" (defined as 4 seconds less than the Time Allowed for the course) will be posted on the course plan. The horse with the time on course closest to the Optimum Time (over or under) will prevail in a tie.

Entry Rules

Exhibitors are responsible for their own errors and omissions.

Class Entries - Classes may only be entered by using the official class number, whether on the Entry Form or on the Official Add/Scratch Form.

Entry/Cross Entry - Exhibitors are responsible for knowing the Rules and Regulations governing the horse show, and for their own errors and omissions. In the case of a violation of a cross entry restriction, the exhibitor will forfeit the entry fee and the class placing. Unless a specific rule is declared or changed for the Black-Eyed Susan Horse Shows, the Maryland Horse Show Association (MHSA) Regional Rules will prevail. Copies of the MHSA Regional Rule Book and BEST Horse Show specific rules will be available in the Horse Show Office.

Entered and Did Not Compete - Any exhibitor who does not compete in a class in which the exhibitor is officially entered, and does not scratch prior to the class according to the Scratch Procedures outlined in these Entry Rules, will be billed for the class. Restrictive Divisions and Classes

Restrictive Divisions and Classes are those that restrict participation by horses and/or riders in other divisions and classes. Restrictions may include, but are not limited to, fence heights, gaits, and age or skill of rider. Horses and riders showing illegally in restrictive divisions and classes forfeit all points awarded for the year, up to and including the infraction. **It is the responsibility of the owner or exhibitor to make sure that horses are not showing illegally.** Riders and owners may choose to leave the restricted class or division and move up to the next level. Those choosing to do so must declare their intent in writing in the Horse Show Office. Riders and horses who move up out of the restricted divisions or classes will be allowed to retain their points, but will not be allowed to return to the restricted divisions or classes. Exceptions are with youth and adult beginners who move ahead.

Adds/Scratches

There is no charge for classes added or scratched. Once a class begins, it may not be scratched. A horse scratched from a show prior to the start of the first class entered, will forfeit office fees for the show.

Horse Health Requirements

1) To meet Maryland Dept. of Agriculture's Coggins test requirements, an exhibitor must provide, at each show or have on file with the Horse Show Office, a negative Coggins test dated within one year of the competition dates for each horse. The Horse Show Office will not keep on file any Coggins that will expire prior to August 16, 2026. **Please bring a copy of your current negative Coggins for the Horse Show Office to keep on file.**

Please notify the Horse Show Office if you need to have a pony measured. If you are planning to show in any MHSA rated Pony Divisions, your pony must be measured by the MHSA Steward and Judge at one of the BEST Shows, and entered to compete at that show. BEST Horse Shows will use that measurement for any other pony divisions. If you are planning to show only in BEST Pony Divisions, you do not need to provide a pony measurement card, unless the proof of pony size eligibility is challenged.
