BEST Horse Shows Biosecurity Self Certification Form

I certify that the horses listed below have:

- Received regular and consistent vaccination against Equine Influenza and EHV-1/4 with most recent booster being within 180 days *(as per USEF GR 845).* MHSA recommends that a horse should not compete within 7 days of being vaccinated.
- Not shown symptoms of or been treated for EHV-1/4 within the past 28 days.
- Not been at a facility under quarantine for EHV-1/4 or exposed to any horses showing symptoms of EHV-1/4 within the past 28 days.
- Not had a temperature of over above 101.5 degrees Fahrenheit or any signs of respiratory or neurological disease within the last 14 days.
- Current negative Coggins documentation.
