BEST Jumper Challenges

The BEST Jumper Challenge is a program designed to recognize, incentivize and reward BEST jumper riders and their mounts at all levels. Entries will be awarded points for earning ribbons in all BEST Jumper classes, except the 18" Jumper Classes, during the first seven 2023 BEST Horse Show Series weekends. Over the competition season, points earned by horses in all qualifying divisions will accumulate to become eligible for the BEST Low Jumper Challenge (2' and 2'3") or the BEST High Jumper Challenge (2'6" through 3'3") to be held at the August 19th BEST Horse Show. After the August 6th BEST horse Show, 20 jumper horses, based on accumulated points, will be invited to enter either the BEST Low Jumper Challenge or the BEST High Jumper Challenge on August 19th. You must be a current BEST Member to be invited to compete in the Jumper Challenges!

The number of entries that qualify for either Jumper Challenge will be based on the total number of entries in the 2' and 2'3" divisions and the 2'6" through 3'3" divisions at the qualifying shows.

The ratio will be based on total entries during the first seven show weekends. The more shows you enter, the greater your chance becomes for qualifying for either of the 2023 BEST Jumper Challenges. There is no additional cost to qualify the 2023 Jumper Challenges. This is a bonus to reward those who frequent the BEST Horse Shows jumper classes!

The BEST Low Jumper Challenge will take place on the Saturday, August 19th horse show after the 2'3" Jumper Division is completed. The BEST High Jumper Challenge will be run after the 3'3" Jumper Division. Both Jumper Challenges will be a single Timed First Round (Table II, Sec 1) class. The Champion in both Jumper Challenges will earn a special award from Jamie's Jumps to be awarded at the BEST Horse Shows Year-End Banquet. There will also be a monetary prize of at least \$500 for both Jumper Challenges to be awarded as follows:

1st Place, 50% 2nd Place, 25% 3rd place, 15% 4th Place, 10%

The total purse for either Jumper Challenge will be determined by the total number of entries in the qualifying divisions for the first seven show weekends. BEST Horse Shows will start the purse at \$200 for each Jumper Challenge and add \$1 for every class entered at the respective qualifying heights for the first seven show weekends. Based on 2022 entries, that would bring the purse for both the Low Jumper Challenge and the High Jumper Challenge to approximately \$1100 each! Remember, the greater the number of classes entered for the first seven show weekends, the greater the purses for the BEST Jumper Challenges!

328 BEST High Jumper Challenge (By invitation only at the August 19th show!)
329 BEST Low Jumper Challenge (By invitation only at the August 19th show!)

Jumper Class Definitions

Table II, Sec. 1 Time First Round - The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. Horses with clean rounds or equal faults are classified according to their time taken to complete the course.

Table II, Sec.2.b. Time First Jump-Off - The first round and first jump-off, if any, are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed, if any. If a competitor has gone clean in the first round, he/she will, without leaving the ring, upon an audible signal, commence the designated jump-off course. In the event of equality of faults after the first round, there will be one jump-off for first place only in which time will decide in the event of equality of points.

Table IV Sec.2.b. Time First Jump-Off Optimum Time - Rules are the same as in Table II.2.b Time First Jump-Off class, with one exception. An "Optimum Time" (defined as 4 seconds less than the Time Allowed for the course) will be posted on the course plan; the horse with the time on course closest to the Optimum Time (over or under) will prevail in a tie.

Table IV Sec.1 Time First Round Optimum Time - Rules are the same as in Table II.1 Time First Round class, with one exception. An "Optimum Time" (defined as 4 seconds less than the Time Allowed for the course) will be posted on the course plan. Class Entries - Classes may only be entered by using the official class number, whether on the Entry Form or on the Official Add/Scratch Form.

Entry/Cross Entry - Exhibitors are responsible for knowing the Rules and Regulations governing the horse show, and for their own errors and omissions. In the case of a violation of a cross entry restriction, the exhibitor will forfeit the entry fee and the class placing. Copies of the MHSA Regional Rule Book and BEST Horse Show specific rules will be available in the Horse Show Office.

Entered and Did Not Compete - Any exhibitor who does not compete in a class in which the exhibitor is officially entered, and does not scratch prior to the class according to the Scratch Procedures outlined in these Entry Rules, will be billed for the class. Restrictive Divisions and Classes

Restrictive Divisions and Classes are those that restrict participation by horses and/or riders in other divisions and classes. Restrictions may include, but are not limited to, fence heights, gaits, and age or skill of rider. Horses and riders showing illegally in restrictive divisions and classes forfeit all points awarded for the year, up to and including the infraction. It is the responsibility of the owner or exhibitor to make sure that horses are not showing illegally. Riders and owners may choose to leave the restricted class or division and move up to the next level. Those choosing to do so must declare their intent in writing in the Horse Show Office. Riders and horses who move up out of the restricted divisions or classes will be allowed to retain their points, but will not be allowed to return to the restricted divisions or classes. Exceptions are with youth and adult beginners who move ahead.

Adds/Scratches

There is no charge for classes added or scratched. Once a class begins, it may not be scratched. A horse scratched from a show prior to the start of the first class entered, will forfeit office fees for the show.
