The quickest and easiest way to pay for bedding is to include full payment along with this order form when you mail in your show entries. The order will be delivered to the assigned stall area on the date and time indicated on the form. Orders will not be left at the stalls unless someone is there to check the delivery.

Purchasing Bedding At The Show:
Bedding and Hay can be purchased in the Show Office and charged to your entries, or paid in full. Exhibitors may pick-up items at the trailer during posted times, or when staff is available to assist.

Charging Order To Entry:
If the exhibitor chooses to charge Hay or shavings to their entry, the Show Office must be in possession of the entry at the time the order is placed. If the entry has not been received, the order will not be processed.
